Date 15th May 1945.

To

The Secretary to Government,
Development Department,
(Food Supplies), Bangalore.

Sir,

Subj: Continuance of the post of special Sheristedar in the Deputy Commissioner's Office, Mysore. ----

With reference to your letter No.SD.6416/A241-44-2 dated 19-4-45 disallowing the provision for the above post in the Budget Estimates of this department, for 1945-46, I have the honour to state that the Deputy Commissioner, Mysore district reports that the work in his district is comparatively very heavy in view of the fact that it is both a "Supply" and a "Deficit" district and there is also Coorg paddy procurement work requiring constant attention. He states that the discontinuance of the post of the special Sheristedar at this stage would cause serious dislocation of work.

In the circumstances, I request that sanction of Government may be kindly obtained to the continuance of the appointment of the Special Sheristedar in the food section of the Deputy Commissioner's office, Mysore district, till the end of June 1946.

A copy of letter No.CS.3-679/44-5 dated 5-5-45 from the Deputy Commissioner, Mysore district in the matter is enclosed for the information of Government.

I have the honour to be,
Sir,
Your most obedient servant,

Director of Food Supplies. 16/5/45

To

G. SUNDARA RAO, Esq., B.A.,
Director of Food Supplies in Mysore,
BANGALORE.

SIR,

Budget Estimates 1945-46 and Provision for the continuance of the post of Special Sheristedar in the Food Section of the District Office.

With reference to your Memo No. C1-5014/44-45 dated the 28th April 1945, forwarding copy of letter No. SD.6416/A.241-44-2 dated the 19th April 1945, from the Secretary to Government, Development Department (Food Supplies), Bangalore, regarding the above, I have the honour to state that the post of the Special Sheristedar attached to the District Office is being sanctioned year after year ever since the inception of the Food Operations Scheme in the District. The work in this District is extra-ordinarily heavy and cannot be compared with the work in the other Districts, in view of the fact that this District is both a supply and deficit District and that in addition, the Coorg paddy procurement work is occupying much time and requires constant attention. The Special Sheristedar has been entrusted with heavy executive and ministerial duties and has been doing very useful work being directly attached to me. The necessity for the post has been explained to you in person at Mysore on the 3rd May 1945. It is impracticable to discontinue this post at this juncture as it would result in serious dislocation of Office work. Besides, every official has been shouldered with heavy work and it is not possible to add on further work to the officials who are already over-worked. The efficiency and promptness of food supply work depend on the adequacy of staff. The continuance of the Special Sheristedar attached to the District Office is absolutely necessary to push through the heavy work which has all the more increased since the inception of the Coorg Paddy transport operations in the District.

In the foregoing circumstances, I request you kindly to recommend to Government to accord sanction to the continuance of the above post during the year 45-46 and to provide for the same in the Budget for the year 1945-46. The post may also be kindly continued as long as the Food Operations in the District continue.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Mysore District.
